Preamble

This Memorandum of Understanding (MoU) is made and entered into on 19/09/2022, between **Mahila Mahavidyalaya, Bahraich**, an institution dedicated to women's education and empowerment, and **Kranti Steel Plant, Bahraich**, an industrial establishment committed to technical excellence and skill development.

Both parties agree to collaborate for mutual benefit through academic-industrial interaction, with the aim of enhancing practical knowledge, employability, and community engagement.

Objectives of the MoU

1. To establish a collaborative framework between the College and the Steel Plant.
2. To provide students with exposure to industrial environments and real-world applications.
3. To promote knowledge sharing through lectures, workshops, and training programs.
4. To undertake joint initiatives for skill development, research, and social outreach.

Areas of Collaboration

Both parties agree to cooperate in the following areas:

1. **Industrial Visits and Exposure:**
Arranging visits for students and faculty to Kranti Steel Plant for understanding industrial processes and safety practices.
2. **Internships and Training Programs:**
Providing hands-on training opportunities for students under the guidance of plant professionals.
3. **Guest Lectures and Workshops:**
Organizing lectures, seminars, and skill-oriented workshops by industry experts.
4. **Research and Projects:**
Encouraging faculty and students to undertake small-scale research or project work related to industrial operations, safety, or management.
5. **Social Responsibility Activities:**
Conducting joint programs for environmental awareness, women empowerment, and community welfare.

Roles and Responsibilities

- **Mahila Mahavidyalaya, Bahraich will:**
 - Nominate faculty coordinators to plan and monitor joint activities.
 - Facilitate student participation in programs.
 - Provide necessary academic support and certification for activities.

• **Kranti Steel Plant, Bahraich will:**

- Offer access to its premises for visits and training under proper safety regulations.
- Designate industry mentors or resource persons for guidance.
- Support mutually agreed programs on a non-financial basis.

Financial Arrangements

Both parties agree to utilize their existing resources and infrastructure for the implementation of this collaboration.

No financial obligations shall arise from this MoU.

However, if any **training program** or **specialized session** is organized, it shall be **payable as per mutual consent**.

Duration and Renewal

This MoU shall remain in force for a period of **five (5) years** from the date of signing. It shall be **automatically renewed for successive periods of five (5) years each**, unless either party gives written notice of termination or proposes modification before the expiry of the current term.

General Terms

1. This MoU is non-binding and based on mutual trust and cooperation.
2. Either party may terminate the MoU by giving one month's written notice.
3. Any disputes arising shall be resolved amicably through mutual discussion.
